STAT

Aug. 2, 1960

Gentlemen:

Recently, (through the viewing of a film) I became aware of your remarkable work in dealing with the enemies of our Country.

I was amazed as to what lengths the Bureau goes and how well informed & trained our Agents are. Most ingenious & thorough, also.

I would like to take the opportunity to thank each &

everyone of you who work so
unselfishly on our behalf!

I am not glad to live in a country
which goes to such lengths to
insure our safety & protection.

If there is anything that
an ordinary citizen, housewife &
mother can do to assist in
your valuable work, whether
it be more alertness, ability
to detect enemy agents, or what-
ever, I should be more than eager
to help in some small way.

Thanking you for all your services
in the past, & continued success
in the future, I remain,
